Conditions of Contract for Building Works 21 May 2021 (Fri)

Disputes often arise as to how to interpret a clause in the Conditions of Contract, which as a matter of fact, is difficult to understand as they are not written in plain English. Over the years, there have been various literatures and case laws covering the interpretation of the more difficult clauses in the Conditions of Contract, and a thorough understanding of these principles is essential for construction professional to know exactly where they stand when issues are in dispute. Through an interactive approach, this workshop will equip participants with necessary knowledge to avoid the loopholes of falling into difficult situations due to misunderstanding of the Conditions, as well as to improve their project management skill especially in terms of dispute resolution.
