

Mastermind Training Institute

Essentials of NEC4 Engineering Construction Contract (ECC)
HKIE CPD 1210/2026
11 December 2026 (Fri)

This training programme aims to enrich and strengthen participants with new concepts, best practices and proven strategies for NEC4 contract. The contents will be based on the NEC3 fundamentals and practical issues with amendments made by the Development Bureau in Hong Kong, also with highlights on the NEC4 framework and latest changes. Upon completion of the training, participants are expected to be able to:

- Describe the philosophy of NEC and the behaviours needed to ensure success;
- Appreciate the use of Contract Data, Scope and Site Information;
- Define and appreciate the roles and responsibilities of key parties; and
- Recognise the differences and provide advice on appropriate contract strategies.

Content:

- Introduction of NEC4 Engineering Construction Contract (ECC)
- Using the ECC
- Preparation of tender document for NEC4
- Contract administration for NEC4
- Handling of compensation events
- Managing the ECC processes
- Contractor's main responsibility
- Programme Management
- Quality Management
- Risk Management
- Payment
- Managing of Change
- Title
- Liabilities and insurance
- Accounts and Project closure, termination and dispute resolution

Trainer:

Mr. Harrison CHEUNG
Barrister-at-Law, Chartered Engineer, Arbitrator, HKIAC Mediator and Dispute Resolution Advisor,
NEC4 ECC Accredited Project Manager

With over two decades of experience in the construction industry, Harrison transitioned into a successful career as a barrister, specializing in construction-related litigation, arbitration, and mediation. In addition to his expertise in these areas, Harrison adeptly handles commercial contractual disputes and a wide array of general legal matters. His legal acumen extends to criminal law, where he serves as counsel on fiat and defense counsel, demonstrating his comprehensive legal capabilities.

Mr. Rex POON
Barrister-at-Law
HKMAAL Accredited General Mediator, NEC4 ECC Accredited Project Manager

Prior to joining the Bar, Rex had extensive experience in the construction industry ranging from civil works to minor works. Rex frequently advises on contract disputes in all tiers and takes cases in relation to both public and private construction works in litigation, arbitration, mediation and adjudication, involving GCC, NEC3 and NEC4 ECC/TSC, and various Standard Forms of Contract. He also has substantive experience in regulatory offences, particularly handling industrial summons involving the Labour Department.
