

Solving Management Challenges: Strategies for Impactful Leadership

20 April 2026 (Mon)

This 1-day workshop is designed to equip managers and professionals with practical, actionable strategies to diagnose, address, and overcome common management hurdles. Participants will delve into real-world scenarios, exploring how to balance authority with accountability, resolve conflicts between competing priorities, and implement control systems that drive results without stifling innovation. Through interactive problem-solving workshops, case studies, and peer discussions, attendees will master tools like root cause analysis, adaptive leadership frameworks, and dynamic delegation techniques. By the end of the session, attendees will leave with a personalized action plan to tackle their unique workplace challenges, foster team resilience, and lead with confidence in uncertain times.
